VARAC Embroidered – All Weather Racer Combination \$ 80.00

NorthEnd Innovative Design, “Techno Lite” polyester jacket with rugged zippers. Can be worn in a number of different ways – as a sleeveless fleece-lined vest, as a light fleece-lined jacket, as a polyester lined jacket or as a warm and weather resistant integrated coat. The Lined Vest has deep outer and inner zipped pockets and draw string waist with elastic cuffs. The outer lined shell has deep zippered pockets, draw string waist and velcro closure cuffs. Grey contrasting sides give a sporty look. Machine washable. Additional embroidery available on shoulders \$10.00 and back from \$25.00. Contact for details. **While they last:**

- **Sizes** (North American sizes) from small to XXXXL
- **Available Colours:** Black, Navy, Red, Captain’s Blue

Be ready for whatever weather you encounter. This versatile combination is ready for everything from frosty days to just a cool summer breeze. It starts with an embroidered fleece-lined vest. As the temperature drops, add the fleece-lined zippered sleeves and finally the embroidered lined outer shell. **OR** use it as two separate jackets!

Combination with inner sleeved vest and outer all-weather lined shell.

Break it down to just the lined vest or layer it up by adding zippered lined sleeves and lined outer shell. *(right) Vest with sleeves un-zipped*
